*By Kindle Customer**The first I read, and probably the best in the series, the others relate more to socialising children with each other. This is a neat story.*

*By Rose Loving Nana**I bought it for my 5 year old grandson. He did not find it that funny. It was a good book, but not great.*

*By Rob Calvert**I should leave two stars since my 2 year old wants me to read this about 50 times a day, lol. But nonetheless, it's a hilarious book. I read all the parts and then stop for the "Poo Bum" parts and the "Fart" at the end, which she reads (yells). It's so cute. I plan on ordering the rest of the books in this series.*
